

Appendix 1

Application details for graduate school (science courses) at the University of Tokyo

- ◇ Applicants to “Medicine”, “Engineering”, “Information Science and Technology”, “Frontier Sciences” and “Science” Graduate Schools may apply for admission either as a research student or to a master’s course.

In principle, applicants who seek direct admission to a master’s course must come to Japan for screening*1.

[*1] Applicants to “Science” who obtain assigned GRE test score will be screened based on application documents.

- ◇ Applicants to Pharmaceutical Sciences and Agricultural and Life Sciences may only apply for admission as a research student.
- ◇ Applicants to “Mathematical Sciences” may only apply for admission to a master’s course.
- ◇ Applicants to “Arts and Sciences” may only be considered to apply for Multidisciplinary Sciences major.
- ◇ “Medicine”, “Science”, “Engineering”, “Agricultural and Life Sciences” and “Frontier Sciences” offer master degree obtaining programs in English. See the University of Tokyo website for application details and available departments.

- ◇ Refer following chart:

| Graduate schools | Medicine International Health | Science | Pharmaceutical Sciences | Engineering | Information Science and Technology | Agricultural and Life Sciences (Except Veterinary Medical Sciences) | Interdisciplinary Information Studies (<u>Emerging Design and Informatics / Applied Computer Science/ Biostatistics and Bioinformatics Course</u>) | Frontier Sciences (Except Art courses) | Mathematical Sciences |
|--|--|----------------|------------------------------------|--------------------|---|--|--|--|----------------------------------|
| Research student + Master’s course | ○ | ○ | ○ | ○ | ○ | ○ | ○ | ○ | × |
| Master’s course | ○ | ○ | × | ○ | ○ | × | ○ | ○ | ○ |

Application details for graduate school (science courses) at Kyoto University

- ◇ Applicants to “Medicine”, “Science”, “Engineering”, “Agriculture”, “Human and Environmental Studies*2”, “Energy Science”, “Informatics and Biostudies” Graduate Schools may apply for admission either as a research student or to a master’s course. In principle, applicants who seek direct admission to a master’s course must come to Japan for screening except graduate school of “Biostudies”.

[*2] Applicants to the Graduate School of Human and Environmental Studies must have N1 level of Japanese-Language Proficiency Test (JLPT).

- ◇ Applicants to “Pharmaceutical Sciences” may only apply for admission as a research student.
- ◇ “Science”, “Engineering”, “Agriculture”, “Energy Science”, “Informatics and Biostudies” offer master degree obtaining programs in English.
- ◇ See Kyoto University website for application details and available departments.

◆Refer the following chart:

[illegible]

Application details for graduate school (science courses) at Nagoya University

- ◇ Applicants to “Medicine”, “Science”, “Mathematics”, “Engineering”, “Bio agricultural Sciences”, “Informatics” and “Pharmaceutical Sciences” Graduate Schools may apply for admission either as a research student or to a master’s course. In principle, applicants who seek direct admission to a master’s course must come to Japan for screening.
[*3] Research student for Environmental Studies will be enrolling either to Science, Engineering or Informatics. Please firm the details to prospective supervisor.
- ◇ “Medicine”, “Science”, “Mathematics”, “Engineering”, “Bio agricultural Sciences”, “Environmental Studies” and “Informatics” offer master degree obtaining programs in English.
- ◇ See Nagoya University website for application details and available departments.

◇Refer following chart:

| Graduate schools | Medicine Medical Science | Science | Mathematics | Engineering | Bio agricultural Sciences | Environmental Studies | Informatics | Pharmaceutical Sciences |
|--|---|----------------|--------------------|--------------------|--------------------------------------|----------------------------------|--------------------|------------------------------------|
| Research student + Master’s course | ○ | ○ | ○ | ○ | ○ | [* 3] | ○ | ○ |
| Master’s course | ○ | ○ | ○ | ○ | ○ | ○ | ○ | ○ |

Application details for graduate school (science courses) at Institute of Science Tokyo

- ◇ Applicants to all Graduate Schools may apply for admission either as a research student or to a master's course.
- ◇ All Graduate Schools offer master degree obtaining programs in English except Medical and Dental Sciences.
- ◇ See Institute of Science Tokyo website for application details and available departments. (i.e. "Science" and "Environment and Society" may not offer English program in master's course.)
- ◇ Applicants to "Medical and Dental Sciences" must obtain JLPT N1 Level when applying to courses

◇Refer following chart:

| Graduate schools | Science | Engineering | Materials and Chemical Technology | Computing | Life Science and Technology | Environment and Society | Medical and Dental Sciences (Health Sciences and Biomedical Engineering) |
|--|----------------|--------------------|--|------------------|--|------------------------------------|--|
| Research student + Master's course | ○ | ○ | ○ | ○ | ○ | ○ | × |
| Master's course | ○ | ○ | ○ | ○ | ○ | ○ | ○ |

Application details for graduate school (science courses) at Ochanomizu University

- ◇ **Only women can apply**
- ◇ Applicants to all Graduate Schools may apply for admission either as a research student or to a master's course.
In principle, applicants who seek direct admission to a master's course must come to Japan for screening.
- ◇ Applicants as research student to all Graduate Schools must submit certificate of Japanese Proficiency.
- ◇ See Ochanomizu University website for application details and available departments.

◇Refer following chart:

| Programs in the Graduate School of Humanities and Sciences | Life Sciences | Advanced Sciences | Cooperative Major in Human Centered Engineering |
|---|----------------------|--------------------------|--|
| Research student + Master's course | ○ | ○ | ○ |
| Master's course | ○ | ○ | ○ |

Application details for graduate school (science courses) at [Japan Nutrition University](#)

- ◇ Applicants to all Graduate Schools may apply for admission as a research student.
- ◇ See [Japan Nutrition University website \(Kagawa Nutrition University\)](#) for application details.

◇ Refer following chart:

| Graduate School | Nutrition Sciences | Health Sciences |
|--|--------------------|-----------------|
| Research student + Master's course | ○ | ○ |
| Master's course | × | × |

Application details for graduate school (science courses) at Waseda University

- ◇ Applicants to all Graduate Schools may only apply for admission to a master's course.
- ◇ Screening for the master's course will basically be based on application documents. Applicants for "Environment and Energy Engineering" must come to Japan for screening.
- ◇ Applicants to "Environment and Energy Engineering" must obtain JLPT N1 Level when applying to courses.
- ◇ Japanese language education is available through the Japanese language course offered by FAIS or at the Center for Japanese Language. When studying at the Center for Japanese Language, the student may take up to two credit hours in principle and will be assisted with the completion of the course to the extent that it does not hinder the study of full-time students.
- ◇ Master degree obtaining programs in English are offered.
- ◇ See Waseda University website for application details and available departments.

◇ Refer following chart:

| Graduate schools | Fundamental Science and Engineering | Creative Science and Engineering | Advanced Science and Engineering | Environment and Energy Engineering (Honjo Campus) | Information, Production and Systems (Kitakyushu Campus) |
|--|---|--|--|---|---|
| Research student + Master's course | × | × | × | × | × |
| Master's course | ○ April enrollment | ○ April enrollment | ○ April enrollment | ○ April enrollment | ○ April enrollment |
